

Open Stakeholder Forum

Northeast Coordinated System Plan
IPSAC05
December 14, 2007

Stakeholder Comments

- Stakeholder feedback has been provided at this meeting
 - Scopes of work
 - Draft study results
 - Other input
- Are we going in the right direction?
- What other issues do you wish us to address?
- Please remind mindful of ISO/RTO priorities and resource limitations
- Thanks to you all for your interest and participation!
