

# Stakeholder Comments

IPSAC06

June 27, 2008

# Stakeholder Comments

- Stakeholder feedback has been provided at this meeting
  - Scopes of work
  - Draft study results
  - Other input
- Are we going in the right direction?
- What other issues do you wish us to address?
- Please remain mindful of ISO/RTO priorities and resource limitations
- Thanks to you all for your interest and participation!
