

PJM Stakeholders

PJM in coordination with ISO-NE and NYISO, has posted a draft of the 2008 Northeast Coordinated System Plan (NCSP) for review by the Inter-Area Planning Stakeholder Advisory Committee (IPSAC). This report presents results of several cross-border studies affecting reliability issues throughout the NPCC region.

The draft report is available to be downloaded at:

<http://www.pjm.com/Calendar%20Events/PJM%20Calendars/Meeting%20Events/2009/January/30/ipsac.aspx>

Comments on the report can be sent to Ganesh Velummylum at velumg@pjm.com and iso@npcc.org. Please provide any comments by January 23, 2009.

WebEx Conference

The JIPC will host a WebEx conference call to discuss the feedback with stakeholders. The WebEx is scheduled for 9am to 12pm on January 30, 2009. The information for that call follows:

Dial in: 866-280-1753

Meeting code: 51835604

WebEx link: <https://nyiso.webex.com/mw03051/mywebex/default.do?siteurl=nyiso>

Although there is no charge, registration is required for this conference to ensure enough lines are available for all parties. Please contact Debbie Eckels at NYISO by e-mail at deckles@nyiso.com or by phone at 518-356-6009 to register for the meeting.
